Re: Doe, et al. v. Empire BCBS, et al, 12-cv-4788 (NSR)

Dear Judge Roman:

This law firm represents St. Joseph's Medical Center. I write with consent of the parties jointly to request a modification of the briefing schedule concerning defendants' time to oppose plaintiffs' cross-motion for preliminary injunction and reply on their motions to dismiss and plaintiffs' time to reply on their cross-motion. Defendants' opposition/reply papers are currently due on December 2, 2013, and plaintiffs' reply papers are currently due on December 23, 2014. The new dates would be December 24, 2013 and January 24, 2014.

We make this request for a number of reasons: (1) to afford St. Joseph's co-counsel, The Becket Fund for Religious Liberty, an opportunity to appear in the action, obtain pro hac vice admission as needed, and contribute to the papers, (2) to address potential conflicts in plaintiffs' counsels' calendar, including a scheduled trial date in San Francisco, CA, and (3) to accommodate everyone in their holiday schedules.

This is the first request to modify the briefing schedule.
